

How to Use Zerust® ICT® Weapon Protection Bags

FOR EXTRA-LARGE EQUIPMENT BAG

■ Step 1

Clean the equipment as you would normally do.

■ Step 2

Ensure that the equipment is near ambient air temperature and as dry as possible.

■ Step 3

Check that the Zerust® ICT® Anti-Corrosion Weapon Protection Bag is not ripped or punctured (see added care instructions on reverse side for minor repairs).

■ Step 4

Place the piece of equipment inside the Zerust® ICT® Anti-Corrosion Equipment Protection Bag and pull the sides of the bag up to enclose the equipment.

■ Step 5

Fold over or roll the open end of the bag, and tie the Zerust® ICT® Anti-Corrosion Equipment Protection Bag to close it (closure bands provided).

■ Step 6

Store the protected equipment under shelter, such as in a drum or crate for protection from sun and weather exposure. The Zerust® ICT® bag will then protect equipment from dirt, sand, and corrosion for up to 1 year as long as it stays in the Zerust® ICT® Anti-Corrosion Equipment Protection Bag.

and local regulations.

Added Care Instructions

The Zerust® ICT® Anti-Corrosion Equipment Protection Bag can be reused multiple times depending on the condition of the bag.

- Replace with a new Zerust® ICT® Equipment Protection Bag if the bag is physically worn out or if a tear or rip has developed.
- If needed, clean the inside of the bag with a dry cloth to remove dirt and oil residues.

Other Uses for the Zerust® ICT® Anti-Corrosion Weapon Protection Bag

Your Zerust® ICT® Anti-Corrosion Equipment Protection Bag can also be used effectively for other applications requiring protection of metal equipment from rust and other forms of corrosion, as well as dirt and sand. You may need to cut the Zerust® bag down to the appropriate size. It is still necessary to enclose the item completely to provide effective protection.

Here are a few application examples:

- Communications equipment
- Electrical equipment and electronics – GPS systems, computers, communication sets, etc.
- Weapons – side arms, SAWs, tripods, missile launchers, etc.
- Weapon accessories – spare barrels, cleaning kits, mags, springs, optics, etc.
- Spare parts – spark plugs, automotive components, tools, etc.
- Personal metal items

DECLARATION

This Data sheet and information it contains is considered to be accurate at the date of printing. No representation or warranty, expressed or implied is made as to the accuracy or completeness of the data and information contained in this publication. It is the User's obligation to evaluate and use products safely and within the scope advised in the data sheet and to comply with all applicable laws and regulations.

LIMITED WARRANTY

All statements, technical information and recommendations contained herein are based on validations and tests conducted by Northern Technologies International Corporation/Zerust® or its partners and are believed to be reliable, but the accuracy or completeness thereof is not guaranteed. We warrant our products will be free from defects when shipped to customer. Our obligation under this warranty shall be limited to replacement of product that proves to be defective. To obtain replacement product under this warranty, the customer must notify Northern Technologies International Corporation/Zerust® or its partners or agent of the claimed defect within 3 months after shipment of product to customer. Customer shall pay all freight charges for replacement products. We shall have no liability for any injury, loss or damage arising out of the use of or the inability to use the products. And any financial claims shall be limited to the value of the film sold.

Before using, user shall determine the suitability of the product for its intended use, and user assumes all risk and liability whatsoever in connection therewith. No representation or recommendation not contained herein shall have any force or effect unless in a written document signed by an officer of the company. The foregoing warranty is exclusive and in lieu of all other warranties, express, implied or statutory, including without limitation any implied warranty of merchantability or of fitness for a particular purpose. In no case shall Northern Technologies International Corporation/Zerust® be liable for incidental or consequential damages.
