

# How to Use ZERUST<sup>®</sup> ICT<sup>®</sup> Weapon Protection Bags

*FOR LARGE WEAPON BAG-RIFLE KIT*

## ■ Step 1

Clean your weapon or equipment as you would normally do. Apply light oil coating if desired (optional).

## ■ Step 2

Ensure that the weapon or equipment is at room temperature and dry. If weapon sling is wet, remove sling from the weapon.

## ■ Step 3

Check that the ZERUST<sup>®</sup> ICT<sup>®</sup> Anti-Corrosion Weapon Protection Bag is not ripped or punctured (see added care instructions for minor repairs).

## ■ Step 4

Insert the weapon into the ZERUST<sup>®</sup> ICT<sup>®</sup> Anti-Corrosion Weapon Protection Bag.

## ■ Step 5

Fold over the open end of the bag and tie the ZERUST<sup>®</sup> ICT<sup>®</sup> Anti-Corrosion Weapon Protection Bag to close (closure bands provided).

## ■ Step 6

Done. Store the protected weapon under shelter. The weapon or equipment should be protected from dirt, sand, and corrosion for up to 1 year<sup>†</sup> as long as it stays in the ZERUST<sup>®</sup> bag.

Circle Pines, MN 55014

## Added Care Instructions

The ZERUST® ICT® Anti-Corrosion Weapon Protection Bag can be reused multiple times depending on the condition of the bag.

- Replace with a new ZERUST® ICT® Weapon Protection Bag if the bag is physically worn out or if a tear or rip has developed.
- If needed, clean the inside of the bag with a dry cloth to remove dirt and oil residues.

## Other Uses for the ZERUST® ICT® Anti-Corrosion Weapon Protection Bag

Your ZERUST® ICT® Anti-Corrosion Weapon Protection Bag can also be used effectively for other applications requiring protection of metal equipment from rust, dirt, and sand. You may need to cut the ZERUST® bag down to the appropriate size, and enclose the item completely to provide effective protection.

Here are a few application examples:

- Communications equipment
- Other weapons – side arms, SAWs, tripods, missile launchers, etc.
- Weapon accessories – spare barrels, cleaning kits, mags, springs, optics, etc.
- Spare parts – spark plugs, automotive components, tools, etc.
- Electrical equipment and electronics – GPS systems, computers, communication sets, etc.

### **ICT®700 Series: Axxanol and Axxatec Rust Preventatives**

Try Axxanol Z-Maxx and 46-Bio for temporary corrosion protection for parts and equipment indoors, or outdoors conditions or as lubricant-preservatives.

### **OTHER PRODUCTS FROM ZERUST®**

#### **ICT®800 Series: Vapor Corrosion Inhibitor (VCI) Diffusers**

Self-contained, portable products that diffuse ZERUST® ICT® corrosion protection to protect metals within enclosures, such as tool boxes, electrical boxes, gun cases, and parts drawers.

#### **‡ DECLARATION**

Corrosion protection claims are based on Northern Technologies International Corporation (NTIC) internal laboratory testing performed under controlled parameters on contaminate-free substrates. Real-world application corrosion protection duration on different substrates will vary and depends on factors such as, but not limited to, the application or use, environmental / storage conditions, surface cleanliness, type of substrates, and coating thickness (where applicable). The use of the term "Up to" in reference to time is defined as any time duration from zero up to a specified time frame, but in no event beyond the specified time frame. The use of the term "for years" is based on NTIC's experience with its products but is in no way guaranteed. The use of the term "Up to" in reference to volume is defined as any volume from zero up to a specified volume but in no event beyond the specified volume of protection. It is the customer's / user's obligation to evaluate product performance, corrosion protection duration, safety, and suitability for intended use within the scope advised in the data sheet and to comply with all applicable laws and regulations. **LIMITED WARRANTY/DISCLAIMER** Warranty is limited to the replacement of a product that fails to meet specifications. For full warranty and disclaimer information, visit [www.zerust.com/warranty](http://www.zerust.com/warranty).
