

✔ ZERUST® ICT® Poly VCI Weapon Bags

ZERUST®/EXCOR® ICT® VCI Weapon Bags protect against corrosion damage for weapons and accessories in shipping, storage, and in-between operations. Thousands of units have proven their performance and reliability in the field. In addition, they protect against dust, sand, and humidity.

ZERUST® ICT®510-C Weapon Protection Bags are easy to use, lightweight, and high strength. The bags provide corrosion protection for years for properly cleaned and stored weapons, parts, and accessories during shipment, storage, and in-between operations. Simply place clean and dry items into the bag and tightly close it. Safe* ZERUST® Vapor Corrosion Inhibitors (VCIs) saturate the interior and stop rust from forming. The corrosion-inhibiting bags come in multimetal and ferrous metal protection formulations in several sizes, including large equipment bags.

ZERUST® Weapon Protection Bags are made from ZERUST ICT®510-C poly film—the ZERUST® industrial packaging product that has proven its performance and safety with thousands of customers worldwide for almost 50 years. ZERUST® Weapon Bags are deployed in the field today as effective protection from rust and sand for military weapons and other equipment. They are proudly engineered and manufactured in the USA.

Application Example

A small pistol bag protects a sidearm from rust, corrosion, and dust while keeping it visible and ready to use.

▶ Benefits

Proven corrosion protection

Easy to use in the field

Durable

Transparent design provides visibility to the weapon

DECLARATION

This Data sheet and information it contains is considered to be accurate at the date of printing. No representation or warranty, expressed or implied is made as to the accuracy or completeness of the data and information contained in this publication. It is the User's obligation to evaluate and use products safely and within the scope advised in the data sheet and to comply with all applicable laws and regulations.

LIMITED WARRANTY

All statements, technical information and recommendations contained herein are based on validations and tests conducted by Northern Technologies International Corporation/ZERUST® or its partners and are believed to be reliable, but the accuracy or completeness thereof is not guaranteed. We warrant our products will be free from defects when shipped to customer. Our obligation under this warranty shall be limited to replacement of product that proves to be defective. To obtain replacement product under this warranty, the customer must notify Northern Technologies International Corporation/ZERUST® or its partners or agent of the claimed defect within 3 months after shipment of product to customer. Customer shall pay all freight charges for replacement products. We shall have no liability for any injury, loss or damage arising out of the use of or the inability to use the products. And any financial claims shall be limited to the value of the products sold.

Before using, user shall determine the suitability of the product for its intended use, and user assumes all risk and liability whatsoever in connection therewith. No representation or recommendation not contained herein shall have any force or effect unless in a written document signed by an officer of the company. The foregoing warranty is exclusive and in lieu of all other warranties, express, implied or statutory, including without limitation any implied warranty of merchantability or of fitness for a particular purpose. In no case shall Northern Technologies International Corporation/ZERUST® be liable for incidental or consequential damages. For full warranty and disclaimer information visit, www.zerust.com/warranty.
