

# ZERUST® ICT®570 VCI Foam Sheeting

ZERUST®/EXCOR® VCI Foam Sheeting is a lightweight and resilient packaging material that prevents rust using proven ZERUST® Vapor Corrosion Inhibitors (VCIs). In addition, it conforms to most shapes without adding extra weight, helping to reduce the risk of damage to parts in transit.

ZERUST® VCI Foam Sheeting is resistant to moisture and dust and tolerates extreme temperature changes. It contains proprietary chemical formulations that release an invisible, odorless and safe\* rust inhibiting vapor. The ZERUST® vapor molecules will settle on exposed metal surfaces in an enclosure and protect them from rust.

Use ZERUST® Foam Sheeting to protect products and parts for automotive, electrical, machine, mechanical, and military applications. This product does not contain chemicals or coatings that flake off, stick to, or otherwise damage the product it is designed to protect. For additional protection, VCI foam sheeting can be used with ZERUST® VCI diffuser products. Check with your ZERUST®/EXCOR® representative for a corrosion management solution most effective for your metal assets.

## Application Example

ZERUST® ICT®570-CC closed-cell foam sheeting combines cushioning and corrosion protection in one lightweight product.

## Benefits

Effective corrosion protection and packaging combined in one step

Metals are ready for use and assembly directly out of the packaging

Lightweight, resilient, and resistant to moisture

Provides safe\* and effective ZERUST® VCI protection

Made from recyclable materials

## Application Type

Storage  
Shipping  
Work in progress

\*Safe for people. This product does not pose a health hazard to users due to its classification as an article according to EU REACH, UN GHS, US OSHA HazCom, and CA WHIMS regulations.

## Product Information

<b>Description</b>	ZERUST®/EXCOR® ICT®570-CC VCI Foam Sheet is a closed-cell polyethylene product impregnated with volatile corrosion inhibitors and a specific gravity of 0.92.
<b>Appearance</b>	Typical color is yellow. Additional colors are available upon request. Subject to order minimums.
<b>Protected Metal Types</b>	Ferrous protection. Other protection types are available upon request.
<b>Protection Duration</b>	Protects clean metals for years when used correctly and utilized within three years from receipt.
<b>Storage</b>	Store in original packaging away from direct sunlight in conditions below 85°F (30°C) and 50% RH for up to 3 years from the date of shipment.

### DECLARATION

This Data sheet and information it contains is considered to be accurate at the date of printing. No representation or warranty, expressed or implied is made as to the accuracy or completeness of the data and information contained in this publication. It is the User's obligation to evaluate and use products safely and within the scope advised in the data sheet and to comply with all applicable laws and regulations.

### LIMITED WARRANTY

All statements, technical information and recommendations contained herein are based on validations and tests conducted by Northern Technologies International Corporation/ZERUST® or its partners and are believed to be reliable, but the accuracy or completeness thereof is not guaranteed. We warrant our products will be free from defects when shipped to customer. Our obligation under this warranty shall be limited to replacement of product that proves to be defective. To obtain replacement product under this warranty, the customer must notify Northern Technologies International Corporation/ZERUST® or its partners or agent of the claimed defect within 3 months after shipment of product to customer. Customer shall pay all freight charges for replacement products. We shall have no liability for any injury, loss or damage arising out of the use of or the inability to use the products. And any financial claims shall be limited to the value of the products sold.

Before using, user shall determine the suitability of the product for its intended use, and user assumes all risk and liability whatsoever in connection therewith. No representation or recommendation not contained herein shall have any force or effect unless in a written document signed by an officer of the company. The foregoing warranty is exclusive and in lieu of all other warranties, express, implied or statutory, including without limitation any implied warranty of merchantability or of fitness for a particular purpose. In no case shall Northern Technologies International Corporation/ZERUST® be liable for incidental or consequential damages.
